<!--About Horticulture-->
<title>About Horticulture</title>
<div class="container">
<h2>Welcome to Our Horticulture Page</h2>
<p>Horticulture is the art and science of cultivating plants. Here are some
interesting facts about horticulture:</p>
<ul>
<li>Horticulture dates back thousands of years, with evidence of early gardening
found in ancient civilizations.</li>
<li>There are various branches of horticulture, including pomology (fruit
cultivation), olericulture (vegetable cultivation), and floriculture (flower
cultivation).</li>
<li>Horticulture plays a vital role in food production, landscaping, and
environmental conservation.</li>
<li>Many therapeutic benefits are associated with gardening, including stress
relief and improved mental well-being.</li>
</ul>
